

T 117 Cleanup EE/CA

Duwamish River Cleanup Coalition/ TAG
Thea Levkovitz, DRCC/TAG Coordinator
Peter deFur, Ph.D. TAG Consultant

Thanks to the following

- Funding from the TAG program
- Individual citizens
- South Park Community
- EPA - Piper Lee specifically
- Groups

Progress thus far

- Attention to this site
- Citizens achieved residential standards
- Habitat restoration
- Dioxin in yards
- Department of Ecology funding

EE/CA Evaluation

- Alternative 2 provides the greatest protection
- Removal is needed
- Stormwater retention basins
- Residential area properties
- Neighborhood areas incomplete
- Dioxin sources = PCB sources NOT

Next steps

- Residential properties
 - Dioxins- kudos to Ecology
- Sampling program
 - Two different questions
- Citizen participation
 - All steps need to be public
 - From the start

Talking Points for the Community

- How and when to comment
- The substance of the work
- How do you want to participate?
- Communication with agencies
